Thanks, Jim.

Bob - please see the attached comments from ICF on your environmental geochemistry section.

Cheers, Kate

Kate
As we were reviewing the status of tasks we discovered we may have failed to submit our comments on these two EPA documents:

1.
Seal_Geology_Environmnetal_Geochemistry_draft_121011.docx
2. Water Use Paragraph for the mining scenario.docx

We have attached the documents with review comments from ICF SMEs.
Please let us know if you have any questions.

Thanks
